

## NOTICE OF PROPOSED ACTION

NOTICE IS HEREBY GIVEN that on October 18, 2023, the Clark County Department of Environment and Sustainability's Division of Air Quality (DAQ) received an application from **Switch Limited (Source 18024)** for a significant revision to their air quality permit. Switch Limited is a data center, located at South Jones Boulevard and Badura Avenue, consisting of emergency generators and cooling towers. Combined, these emission units establish Switch Limited as a synthetic minor source (SM80) of NO<sub>x</sub>. The Control Officer has made a preliminary determination that the application complies with all Clark County Air Quality Regulations, all Nevada Revised Statutes Chapter 445B requirements, and the Clean Air Act (42 USC § 7401, et seq.), and should be approved.

NOTICE IS FURTHER GIVEN that anyone may submit written comments on the application and relevant documents to DAQ during a 30-day public comment period that starts Friday, March 15, 2024, and ends Saturday, April 13, 2024. DAQ must receive any written comments at its offices at 4701 W. Russell Road, Suite 200, Las Vegas, Nevada 89118 by Saturday, April 13, 2024, at 5:30 PM. Any person may request a public hearing during this period by filing a written petition with the Control Officer containing the petitioner's name, address, daytime telephone number, email address, and reason for requesting a hearing. Comments may be submitted electronically to [AQPermitting@ClarkCountyNV.gov](mailto:AQPermitting@ClarkCountyNV.gov). The Control Officer shall consider all written comments, all oral comments if a public hearing is held, and all other documents on the administrative record before taking final action on the permit.

Under the applicable rules, Switch Limited is classified as a synthetic minor source (SM80) of NO<sub>x</sub>, with the following potential to emit (in tons per year):

**PM<sub>10</sub> = 2.57; PM<sub>2.5</sub> = 2.57; NO<sub>x</sub> = 91.27; CO = 7.24; SO<sub>2</sub> = 0.46; VOC = 4.78**

The draft permit, technical support document (with RACT determinations), application with supplements, and relevant materials are part of the administrative record and open for public inspection at DAQ's address above; by calling (702) 455-5942 Mon–Thurs, 7:30 AM–5:30 PM; and at [https://www.clarkcountynv.gov/government/departments/environment\\_and\\_sustainability/division\\_of\\_air\\_quality/permitting/public\\_notices.php](https://www.clarkcountynv.gov/government/departments/environment_and_sustainability/division_of_air_quality/permitting/public_notices.php). Copies may be obtained by contacting Silvia Gonzalez at DAQ's address or calling (702) 455-8007.
